The request of M/s S. S. Air Conditioning, Karnal, regarding change in the terms & conditions of payment from quarterly basis to monthly basis, was put up before the committee. The committee discussed the issue and ascertained that as per para 8.6 (vi) of the Manual of Procurement of Goods-2017, the payment for maintenance is made on a half yearly or quarterly basis, which must be adhered to. Hence, the committee recommended that terms and conditions of the payment as mentioned in the tender document "The payment will be released on quarterly basis after the satisfaction of the Indenter" will remain same. The same may also be intimated to the firm.
