(Haryana)

Guidelines for Abstract Submission

1. Abstracts must be sent to posterngaa@gmail.com before 31st August 2025.
2. Abstract should not be more than 250 words. The abstract structure should include the introduction, methods, results, and conclusions in running text without headings.
3. Abstract should include the title, authors, and contact details of corresponding author.
4. Use Arial font/Times New Roman size 12 with single line spacing for whole abstract including title and authors details.
5. Title should be formatted bold and names of all authors beneath it along with Email id of corresponding author.
6. All abstracts should be submitted and presented in clear, publication-ready English with accurate grammar and spelling.
7. The submitting author must ensure that all co-authors are aware of the contents of the abstract.
8. Abstracts will be selected after review by the technical committee and you will be notified of the acceptance of a poster presentation to the email through which poster was submitted.
9. Abstracts that adhere to the provided format will be considered for review.

Guidelines for poster preparation

1. A display area of 3 feet (Width) x 4 feet (Height) will be provided for each poster. Please ensure that your poster matches these dimensions.
 2. The poster should include sections such as Title, Introduction, Methodology, Results, Conclusion, and Acknowledgements. Kindly use appropriate font size and type.
 3. The names of authors, along with their affiliations, should be provided below the title, with an asterisk indicating the presenting author.
 4. Only registered participants will be allowed to present posters. Each registered delegate can present a maximum of one poster.
